

**Dismissal for Second, Third, Fourth, and Fifth Grades:** You need to enter the same entrance in the front of the high school. *No one should enter through the middle school gate or our gate.* Proceed behind high school and stay in center or right hand lane. At the break off, go to the right and proceed behind airnasium just as you do in morning drop off. We will not move cars until 3:30 p.m. If buses are still in line, go through parking area and merge in front. If no buses are there, proceed down street in single lane to stop sign, merge with VPK, Kindergarten, and First Grade pick up and make right turn. Buses will be on inside lane; use right lane. Please only use parking lot if lane is blocked by bus.

*No Parents Should Get Out of Their Car to Come to the Breezeway.*

If you get in wrong line you will have to exit, and proceed to the correct spot. Make sure you have your Blue Pick Up Card or Mirror Tag from Parks & Rec. You must have one of these or you will be asked to park and go to the front office.

Sincerely,

Steven Hook, Principal
